*Our Treatments*

*Welcome to Hotel Son Julia*

### **Healing Touch**

"Every person is unique in his or her being. Our body is the form and the expression of this being and should be touched and treated with great mindfulness."

### **This is our philosophy.**

From the first minute, we let ourselves be guided by intuition, the knowledge of human nature and many years of experience, to meet the particular needs of our clients and adjust each treatment individually.

Our aim is to turn every session into a unique experience and make you feel comfortable and at ease.

My team and I are looking forward to meeting you.

Sincerely

*Iris Kimpel*
